## To be a church

To be a church  
    Is to be a person  
But expanded  
    Extended  
        Enlarged.  
Many persons,  
    But one;  
A reflection  
    Of the three-in-one.  
Indivisible,  
    But individually distinct;  
Eternal,  
    But existing in the now;  
Universal,  
    But locally incarnate.

Church is  
    The temple of God,  
        The presence of God,  
            The compassion of God.

Where church is  
    God is.
